NOTES :

1. In view of the outbreak of the COVID-19 pandemic, social distancing norm to be followed and the continuing restriction on movement of persons at several places in the country and Ministry of Corporate Affairs (“MCA”) has vide its General Circular Nos. 14/2020, 17/2020, 20/2020, 02/2021 and Circular no. SEBI/HO/CFD/CMD1/CIR/P/2020/79 and SEBI/HO/CFD/CMD2/CIR/P/2021/11 issued by the Securities and Exchange Board of India (“SEBI”) and in compliance with the provisions of the Act and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“Listing Regulations”), the AGM of the Company is being conducted through VC/OAVM Facility, which does not require physical presence of members at a common venue. The deemed venue for the AGM shall be the Registered Office of the Company i.e. 10, Princep Street, 2nd Floor, Kolkata - 700072.
2. In terms of the MCA Circulars, since the physical attendance of Members has been dispensed with, there is no requirement of appointment of proxies. Accordingly, the facility of appointment of proxies by Members under Section 105 of the Act will not be available for this AGM. Hence the Proxy Form and Attendance Slip are not annexed to this Notice.
3. Notice of Annual General Meeting is being sent to all the Members, whose names appear in the Register of Members/list of Beneficial Owners as received from Depositories on 27th August, 2021. Any person who have acquired shares of the Company and have become members of the Company after the dispatch of Notice and Annual Report of the AGM by the Company and whose names appear in the Register of Members or Register of beneficial holders as on the cut-off date i.e., 22nd day of September, 2021 shall view the same on the Company’s website: www.amluckie.in may request for a copy of the same by writing to the Company at amluinvest@gmail.com or Registrar and Share Transfer Agent (‘Registrar’) Niche Technologies Private Limited at nichetechpl@nichetechpl.com
4. The business set out in the Notice will be transacted through remote electronic voting (e-voting) system and the Company is providing facility for voting by remote electronic means. Instructions and other information relating to remote e-voting are given in the Notice under Note No. 27.
5. The Explanatory Statement, pursuant to Section 102 of the Companies Act, 2013 (the “Act”), in respect of the Special Business being considered unavoidable to be transacted at the Annual General Meeting is annexed herewith.
6. In terms of the provisions of Section 113 of the Companies Act, 2013, Corporate Members are entitled to appoint their authorized representatives to attend the AGM through VC/ OAVM on their behalf and participate thereat, including cast votes by electronic means (details of which are provided separately, herein below).
7. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
8. The Shareholders may join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned herein below in the Notice. The facility of participation at the AGM through VC/ OAVM will be made available for 1,000 Shareholders on ‘first come first serve’ basis. This will not include large Shareholders (i.e. Shareholders holding 2% or more), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of ‘first come first serve’ basis.
9. In view of the outbreak of the COVID-19 pandemic, resultant difficulties involved in dispatching of physical copies of the Annual Report and in line with the said Circulars issued by the MCA and said

SEBI Circular, the Annual Report including Notice of the AGM of the Company inter alia indicating the process and manner of e-voting is being sent only by Email, to all the Shareholders whose Email IDs are registered with the Company/ Depository Participant(s) for communication purposes to the Shareholders and to all other persons so entitled.

Therefore, those Members, whose email address is not registered with the Company or with their respective Depository Participant/s, and who wish to receive the Notice of the AGM and the Annual Report for the year 2020-21 and all other communication sent by the Company, from time to time, can get their email address registered.

10. The Notice of the AGM and the Annual Report including therein the Audited Financial Statements for the year 2020-21, will be available on the website of the Company at www.amluckie.in The AGM Notice is also disseminated on the website of CDSL i.e. www.evotingindia.com
11. Members are informed that in case of joint holders attending the meeting, the member whose name appears as the first holder in the order of names as per the Register of members of the Company will be entitled to vote in the Meeting to be held through video conferencing.
12. Shareholders are requested to quote their Folio No. or DP ID - Client ID, as the case may be, in all correspondence with the Company or Company's Registrar and Share Transfer Agent.
13. SEBI has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic mode are requested to submit their PAN to their respective DPs with whom they are maintaining their demat accounts whereas members holding shares in physical mode are required to submit their PAN to the Company/RTA.
14. Relevant details in respect of Directors seeking Appointment/re-appointment at the AGM, in terms of Regulations 36(3) of the SEBI Listing Regulations and Secretarial Standard - 2 on General Meetings are also annexed to this notice.
15. Pursuant to the provisions of Section 108 of the Act read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended), Secretarial Standard on General Meetings (SS-2) issued by the Institute of Company Secretaries of India ("ICSI") and Regulation 44 of Listing Regulations read with MCA Circulars and SEBI Circular, the Company is providing remote e-Voting facility to its Members in respect of the business to be transacted at the AGM and facility for those Members participating in the AGM to cast vote through e-Voting system during the AGM. The 'Cut-off Date' for determining Shareholders entitled to facility of voting by remote e-voting at said AGM has been fixed as 22nd day of September, 2021.
16. In accordance with the provisions of section 91 of the Companies Act, 2013, the Register of Members and the Share Transfer Books of the Company will remain closed from 23rd day of September, 2021 to 29th day of September, 2021 (both days inclusive).
17. a) For Members holding shares in physical form, please send scan copy of a signed request letter mentioning your folio number, complete address, email address to be registered along with scanned self-attested copy of the PAN and any document (such as Driving Licence, Passport, Bank Statement, AADHAR) supporting the registered address of the Member, by email to the Company's email address.
b) For the Members holding shares in demat form, please update your email address through your respective Depository Participant/s.
18. In terms of the provisions of Section 72 of the Act and Rules made there under, the facility for making nomination is available for the Shareholders in respect of the shares held by them. Shareholders who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13. Shareholders holding shares in dematerialized form are requested to

submit the said details to their Depository Participant(s) and the Shareholders holding shares in physical form, are requested to submit the said details to the Company or Company's Registrar.

19. In terms of the provisions of Regulation 40 of SEBI Listing Regulations and various notifications issued in that regard, requests for effecting transfer of securities (except in case of transmission or transposition of securities) shall not be processed from 1st April, 2020 unless the securities are held in the dematerialized form with the depositories. In view of the same, Shareholders are requested to take action to dematerialize the Equity Shares of the Company, promptly.
20. Members holding shares in multiple folios are requested to submit their application to Registrar for consolidation of folios into single folio.
21. Equity shares of the Company are under compulsory demat trading by all investors. Considering the advantage of scrip less trading, members are encouraged to consider dematerialization of their shareholding so as to avoid inconvenience in future.
22. The Ministry of Corporate Affairs has undertaken a 'Green Initiative in Corporate Governance' and allowed companies to share documents with its shareholders through the electronic mode. The Shareholders who are holding shares in dematerialized form and have not yet registered their e-mail IDs with their Depository Participant are requested to register their Email ID at the earliest, to enable the Company to use the same for serving documents to them electronically, hereafter. Shareholders holding shares in physical form may kindly provide their Email ID to the Registrar & Transfer Agent of the Company. The support of the Shareholders for the 'Green initiative' is solicited.
23. Members, who would like to ask questions during the AGM with regard to the financial statements or any other matter to be placed at the AGM, need to register themselves as a speaker by sending their request from their registered email address mentioning their name, DP ID and Client ID number/folio number and mobile number, to reach the Company's email at least 48 hours in advance before the start of the AGM i.e. by 29th September, 2021 by 1.00 p.m. IST. Those Members who have registered themselves as a speaker will only be allowed to express their views/ask questions during the AGM. The Company reserves the right to restrict the number of speakers depending on the availability of time for the AGM. Those shareholders who have registered themselves as a speaker will only be allowed to express their views/ask questions during the meeting.
24. Members can submit questions in advance with regard to the financial statements or any other matter to be placed at the AGM, from their registered email address, mentioning their name, DP ID and Client ID number /folio number and mobile number, to reach the Company's email address at least 48 hours in advance before the start of the meeting i.e. 29th September, 2021 by 1.00 p.m. IST. Such questions of the Members shall be taken up during the meeting and replied by the Company suitably.
25. The Company's Statutory Auditors, M/S. Deoki Bijay & Co. Chartered Accountants (Firm Registration No. 313105E), Chartered Accountants were appointed as the Statutory Auditors of the Company at the Annual General Meeting of the Company held in the year 2019 to hold office for a term of five consecutive years up to the conclusion of the Annual General Meeting of the Company to be held in the year 2024.

Pursuant to the amendments made to Section 139 of the Companies Act, 2013 by the Companies (Amendment) Act, 2017 effective from May 07, 2018, the requirement of seeking ratification of the Members for the appointment of Statutory Auditors has been withdrawn from the Statute. In view of the above, ratification of the Members for continuance of their appointment at this AGM is not being sought. The Statutory Auditors have given a confirmation to the effect that they are eligible to continue with their appointment and that they have not been disqualified in any manner from continuing as Statutory Auditors of the Company. The remuneration payable to the Statutory

Auditors shall be determined by the Board of Directors based on the recommendation of the Audit Committee.

26. Since the AGM will be held through VC/OAVM Facility, the Route Map is not annexed in this Notice.

27. **VOTING THROUGH ELECTRONIC MEANS**

In terms of the provisions of Section 108 of the Act, read with Rule 20 of the Companies (Management and Administration) Amendment Rules, 2015 (as amended from time to time) and Regulation 44 of the SEBI Listing Regulations and the said Circulars, the Company is pleased to provide to the Shareholders the facility of “e-voting”, to enable them to cast their votes on the resolutions proposed to be passed at the AGM, by electronic means. The instructions for e-voting are given herein below.

The Company has engaged the services of Central Securities Depository Limited (“CDSL”), who will provide the e-voting facility of casting votes to a Shareholder using remote e-voting system (e-voting from a place other than venue of the AGM) (“remote e-voting”) as well as e-voting during the proceeding of the AGM (“e-voting at the AGM”).

THE INSTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER :

- (i) The voting period begins on 26th day of September, 2021 (9:00AM) and ends on 28th day of September, 2021 (5:00 PM) During this period shareholders’ of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) 22nd day of September, 2021 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders’ resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Annexure 'IV' to Directors' Report
MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Economic Overview :

The economic impact of the corona virus pandemic in India has been largely disruptive. As India battles the second wave of coronavirus infection, 98% of the nation is under some kinds of restrictions and lockdown which once again is leading to a crumbling economy. The Indian economy, by far, has been suffering since the pre-pandemic times and after the surge in infection, the nation's economy has been hit hard.

The year 2020-2021 has been full of unwelcome surprises and unavoidable new realities. What started out as a health challenge escalated rapidly into an economic and humanitarian crisis. The survey to assess impact of Coronavirus by different agencies reveal that besides the direct impact on demand and supply of goods and services, businesses are also facing reduced cash flows due to slowing economic activity which in turn is having an impact on all payments including to those for employees, interest, loan repayments and taxes.

While the COVID-19 pandemic shook the world, we have navigated through the uncertain times with focus on safety and well-being of everyone yet ensuring business continuity. Going forward, the potential impact of COVID 19 to our results will depend to a large extent on future developments regarding COVID-19 that cannot be accurately predicted at this time, including the duration and severity of the pandemic, the extent and effectiveness of containment actions and the impact of these and other factors on the economy.

Industry Structure and Development – Overview :

Investment business is the professional business of various securities (shares, bonds, etc.) and other assets (e.g., real estate), to meet specified investment goals for the benefit of investors. Investors may be institutions (insurance companies, pension funds, corporations etc.) or private investors (both directly via investment contracts and more commonly via collective investment schemes e.g., mutual funds).

Opportunities and Threats Opportunities :

Investing in a securities market, also called investing in stocks and bonds, is one of the primary ways to build wealth through capital appreciation - an increase in the securities' value over time.

Investing is challenging, can be exciting and is a learning experience. Selecting stocks to invest in doesn't require an advanced degree in finance, but it does require careful research and keeping up with current economic trends.

It's a great thrill to participate in a bull market - one in which stocks go up in price - and watch the value of your investments climb week by week. Your Directors believe that there are tremendous long-term growth opportunities in emerging markets.

Threats:

Finally, we need to consider threats to the company. Again, threats can be internal as well as external. In fact, the internal threats usually come first, which opens the door to external threats. Therefore, it's

important to do a good threat analysis. Any internal problem is a threat to the company's well-being and should be evaluated alongside the external threats.

Some possible threats are :

- Internal obstacles the company is facing.
- Cash flow problems.
- The relative position of the company's largest competitors.
- Technological advances in the industry (if the company isn't keeping pace).

Future Outlook :

Your Company intends to invest in businesses related to infrastructure, telecommunication, soft ware etc. and wide variety of products and services in the coming years since it sees good prospect in these areas. It would definitely try to establish itself and remain as a strong player in the finance industry. With the Capital market expected to be in a better mode than the previous few years and with our efforts we can look forward to a prosperous year for the company.

Internal Control Systems and their adequacy :

The Company has a proper and adequate system of internal control in all spheres of its activities to ensure that all its assets are safeguarded and protected against loss from unauthorized use or disposition and that the transactions are authorized, recorded and reported diligently. The Company ensures adherence to all internal control policies and procedures as well as compliance with all regulatory guidelines.

Financial and Operational Performance :

Please refer Directors Report for financial performance.

Material Development in Human Resources/industrial relations front number of people employed :

The Company has been able to maintain its existing resources by keeping pace with the changing business environment and by ensuring staff continuity. The Company has a team of able and experienced industry professionals and employees. The Company believes that people are the key ingredient to the success of an organization. Looking after people makes good business sense because, if people are motivated, service excellence will follow. The relations remain cordial throughout the year between employees and the management.

Cautionary Statement :

The Board of Directors have reviewed the Management Discussion and Analysis prepared by the Management, and the Independent Auditors have noted its contents. Statement in this report of the Company's objective, projections, estimates, exceptions, and predictions are forward looking statements subject to the applicable laws and regulations. The statements may be subjected to certain risks and uncertainties. Company's operations are affected by many external and internal factors which are beyond the control of the management. Thus the actual situation may differ from those expressed or implied. The Company assumes no responsibility in respect of forward looking statements that may be amended or modified in future on the basis of subsequent developments, information or events.

Disclosures under Regulation 34(3) Read with Clause B of Schedule V of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Sl. No.	Particulars	2020-21	2019-20	Reason for Change in No. Key Financial Ratios
a)	Debtors Turnover	41.04	45.38	The ration has decreased on account of higher rate of rise in receivable as compared to that of sales.
b)	Inventory Turnover	-	0.09	No significant change.
c)	Interest Coverage Ratio	-	-	-
d)	Current Ratio	0.24	0.23	No significant change.
e)	Debt Equity Ratio	7.94	-3.50	This ratio is positive due to positive net worth of the company. The change is, however, not significant.
f)	Operating Profit Margin	93.00	40.89	The operating profit margin shows a sharp increase which show higher margine in the business carried on by the company.
g)	Net Profit Margin	80.51	-40.74	The operating profit margin increased significantly which should have led to sharp increase in net profit margin as well but there is only a small increase in net profit margin indicating a sharp increase in other administrative expenses.
h)	Return on Net Worth	-0.44	0.05	The return on investment has decreased as a result of increase in shareholders investment in the company and increase in the net profit earned by the company. This decrease in the ration implies inefficient development of shareholders fund.

INDEPENDENT AUDITORS' REPORT

To the Members of
Amluckie Investment Company Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying Ind AS financial statements of **AMLUCKIE INVESTMENT COMPANY LIMITED** ("*the Company*") which comprises the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss (including Other Comprehensive Income), statement of changes in Equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information of the company.

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matter described in the basis for qualified opinion paragraph, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (India Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and its profit (Including Other Comprehensive Income), Statement of Changes in Equity and its cash flows for the year ended on that date.

Basis for Qualified Opinion

Attention is drawn to Note No. 29 related to Valuation of Inventories of Unquoted Shares which are carried in the Balance Sheet at cost instead of Fair Value. In absence of adequate information for determining the fair market value of inventories of unquoted shares, impact thereof on Financial Statements is not ascertainable.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on Ind AS Financial Statement.

Key Audit Matters:

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Ind AS financial statements of the current period. These matters were addressed and communicated with management in the context of our audit of the Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in the report.

Sr. No.	Key Audit Matter	How our audit addressed the Key Audit Matter
1	IT Systems & Control	
	Financial accounting and reporting processes, especially in the financing activities are fundamentally reliant on IT systems and IT controls to process significant transaction volumes, hence we identified IT systems and controls over financial reporting as key audit matter for the company.	We tested the operating effectiveness of the company's IT access controls over the information systems that are important to financial reporting and various interfaces, configuration and other identified application controls.

Emphasis of Matter

- a. Attention is invited to Note 22 of the accounts where considering the second wave of pandemic Covid-19, the company continued with its policy of work from home to ensure continuity.
- b. Attention is invited to Note 34 of the accounts where NBFC Registration Certificate No.05.01991 of the company has been cancelled by RBI order dated 11.07.2018. The Management of Company is going to file an appeal against the order. In view of the management the order will neither impact the going concern status of the company nor its future operation.

Our opinion is not modified in respect of these matters.

Information Other than the Ind AS Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Directors Report including Annexures to Directors' Report, Report on Corporate Governance but does not include the Ind AS Financial Statements and our auditors' report thereon. The Management Discussion and Analysis, Directors' Report including Annexures to Directors' Report and Report on Corporate Governance are expected to be made available to us after the date of this auditor's report.

Our Opinion on the IND AS financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take appropriate action as applicable under the relevant laws and regulations.

Responsibility of Management and those charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income (changes in equity) and cash flows of the Company in accordance with the Ind AS and accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act, 2013 read with relevant rules issued thereunder and other Accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the Audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also :

- Identify and assess the risks of material misstatement of the Ind AS Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial

controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the interim consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- (i) As required by the Companies (Auditors Report) order, 2016 (the Order) issued by the Central Government of India in terms of section 143 (11) of the Act we give in the Annexure A, a Statement on the matters specified in paragraph 3 and 4 of the order.

Annexure B to Independent Auditor's Report**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **Amluckie Investment Company Limited** ("the Company") as on 31st March, 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safe guarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operative effectiveness. Our audit of internal Financial Controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion of the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable

assurance regarding the reliability of financial reporting and the preparation of financial statements for external purpose in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in responsible detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are records as necessary to permit preparation of financial statements in accordance with authorizations of the Management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future period are subject to the risk that the internal financial control over financial reporting may become inadequate because of change in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

SIGNIFICANT ACCOUNTING POLICIES

1. Company Overview

Amluckie Investment Co. Limited (“The Company”) was incorporated on 25/07/1876. The Registered Office of the Company is at 10, Princep Street, 2nd Floor, Kolkata - 700 072. The Company is a Non-systemically Important Non-Banking Financial (Non-Deposit taking Accepting) Company and is primarily engaged in the business of financing, providing loan. The Certificate of Registration (Certificate No. 501991) of NBFC by Reserve Bank of India was cancelled on 11th July, 2018.

The equity shares of the Company is listed on The Calcutta Stock Exchange Limited.

2. Presentation of Financial statements

The company applies Indian Accounting Standards (IND AS) in preparing and presenting general purpose financial statements. It has also followed RBI guidelines and announcements issued by the Institute of Chartered Accountants of India.

2.1 Presentation of True and Fair View and compliance with IND AS

Financial statements present a true and fair view of the financial position, financial performance and cash flows of the company. Presentation of true and fair view requires the faithful representation of the effects of transactions, other events and conditions in accordance with the definitions and recognition criteria for assets, liabilities, income and expenses set out in the Framework. The application of IND AS, with additional disclosure when necessary, is presumed to result in financial statements that present a true and fair view.

Financial statements comply with IND AS explicitly and without any reservation.

2.2 Going concern

The Company prepares its financial statements on a going concern.

2.3 Accrual basis of accounting

The Financial Statements have been prepared under the historical cost convention on accrual basis, except for:

- i. Certain financial assets and liabilities that are measured at fair values at the end of each reporting period; and

2.4 Materiality and aggregation

The Company presents separately each material class of similar items. It presents separately items of a dissimilar nature or function unless they are immaterial except when required by law.

2.5 Offsetting

The Company do not offset assets and liabilities or income and expenses, unless required or permitted by an IND AS.

2.6 Minimum comparative information

Except when IND ASs permit or require otherwise, the company presents comparative information in respect of the preceding period for all amounts reported in the current period’s financial statements. It also includes comparative information for narrative and descriptive information if it is relevant to understanding the current period’s financial statements.

2.7 Other comprehensive income

Other Comprehensive Income comprises items of income and expenses (including reclassification adjustments) that are not recognised in profit or loss as required or permitted by other IND AS. The components of other comprehensive income include: (a) changes in revaluation surplus; (b) remeasurements of defined benefit plans; gains and losses from investments in equity instruments designated at fair value.

2.8 Accounting Policies, Changes in Accounting Estimates and Errors

In the absence of an IND AS that specifically applies to a transaction, other event or condition, management shall use its judgement in developing and applying an accounting policy that results in information that is: (a) relevant to the economic decision-making needs of users; and (b) reliable, in that the financial statements: (i) represent faithfully the financial position, financial performance and cash flows of the entity; (ii) reflect the economic substance of transactions, other events and conditions, and not merely the legal form; (iii) are neutral, i.e. free from bias; (iv) are prudent; and (v) are complete in all material respects.

(i) Changes in accounting policies

The Company will change an accounting policy only if the change: (a) is required by an IND AS; or (b) results in the financial statements providing reliable and more relevant information about the effects of transactions, other events or conditions on the entity's financial position, financial performance or cash flows.

The Company has corrected all material prior period errors retrospectively in the first set of financial statements approved for issue after their discovery by: (a) restating the comparative amounts for the prior period(s) presented in which the error occurred; or (b) if the error occurred before the earliest prior period presented, restating the opening balances of assets, liabilities and equity for the earliest prior period presented.

(ii) Events after the Reporting Period

The Company will adjust the amounts recognised in its financial statements to reflect adjusting events after the reporting period. The Company will not adjust the amounts recognised in its financial statements to reflect non-adjusting events after the reporting period. If the company declares dividends to holders of equity instruments after the reporting period, it will not recognise those dividends as a liability at the end of the reporting period. If the company receives information after the reporting period about conditions that existed at the end of the reporting period, it shall update disclosures that relate to those conditions, in the light of the new information. If non-adjusting events after the reporting period are material, non-disclosure could influence the economic decisions that users make on the basis of the financial statements. Accordingly, it will disclose the following for each material category of non-adjusting event after the reporting period: (a) the nature of the event; and (b) an estimate of its financial effect, or a statement that such an estimate cannot be made.

(iv) Related Party Disclosures

To enable users of financial statements to form a view about the effects of related party relationships with the company, it is appropriate to disclose the related party relationship when director(s) exercise significant influence, irrespective of whether there have been transactions between the related parties.

(v) Cash Flow Statement

The statement of cash flows is reported during the period classified by operating, investing and

financing activities. Cash flows from operating activities are reported using the indirect method, whereby profit or loss is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments, and items of income or expense associated with investing or financing cash flows. Major classes of gross cash receipts and gross cash payments arising from investing and financing activities are reported separately. Cash flows arising from interest paid and interest and dividends received is classified as cash flows arising from operating activities.

Dividends paid are classified as cash flows from financing activities. Cash flows arising from taxes on income is separately disclosed and is classified as cash flows from operating activities unless they can be specifically identified with financing and investing activities.

(vi) Measurement of Fair Values

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Disclosure is given for assets and liabilities that are measured at fair value on a recurring or non-recurring basis in the balance sheet after initial recognition, the valuation techniques and inputs used to develop those measurements and for recurring fair value measurements using significant unobservable inputs, the effect of the measurements on profit or loss or other comprehensive income for the period.

(vii) Inventories

Inventories shall be measured at the lower of cost and net realisable value. The cost of inventories shall comprise all costs of purchase, costs of conversion and other costs incurred in bringing the inventories to their present location and condition.

The cost of inventories shall be assigned by using the first-in, first-out (FIFO) or weighted average cost formula. Same cost formula for all inventories having a similar nature and use to the entity has been used.

When inventories are sold, the carrying amount of those inventories is recognised as an expense in the period in which the related revenue is recognised. The amount of any write-down of inventories to net realisable value and all losses of inventories is recognised as an expense in the period the write-down or loss occurs. The amount of any reversal of any write-down of inventories, arising from an increase in net realisable value, is recognised as a reduction in the amount of inventories recognised as an expense in the period in which the reversal occurs.

(viii) Revenue Recognition

Revenue will be recognised when the parties to the contract have approved the contract (in writing, orally or in accordance with other customary business practices) and are committed to perform their respective obligations; each party's rights regarding the goods or services to be transferred is identified ;payment terms for the goods or services to be transferred is identified; the contract has commercial substance; and it is probable that the company will collect the consideration to which it will be entitled in exchange for the goods or services that will be transferred to the customer. In evaluating whether collectability of an amount of consideration is probable, company shall consider only the customer's ability and intention to pay that amount of consideration when it is due. The amount of consideration to which company will be entitled may be less than the price stated in the contract if the consideration is variable because the company may offer the customer a price concession.

The company shall recognise revenue when it satisfies a performance obligation by transferring a promised good or service (i.e. an asset) to a customer. An asset is transferred when the customer obtains control of that asset.

When a performance obligation is satisfied, company shall recognise as revenue the amount of the transaction price that is allocated to that performance obligation.

The company shall consider the terms of the contract and its customary business practices to determine the transaction price. The transaction price is the amount of consideration to which company expects to be entitled in exchange for transferring promised goods or services to a customer. The consideration promised in a contract with a customer may include fixed amounts, variable amounts, or both.

A gain or loss on a financial asset or financial liability that is measured at fair value shall be recognised in profit or loss.

Dividends are recognised in profit or loss only when : (a) the company's right to receive payment of the dividend is established; (b) it is probable that the economic benefits associated with the dividend will flow to the company; and (c) The amount of the dividend can be measured reliably.

(ix) Property, Plant and Equipment (PPE)

The cost of an item of property, plant and equipment shall be recognised as an asset if, and only if: (a) it is probable that future economic benefits associated with the item will flow to the company; and (b) the cost of the item can be measured reliably. Under the recognition principle , an entity recognises in the carrying amount of an item of property, plant and equipment the cost of replacing part of such an item when that cost is incurred if the recognition criteria are met.

An item of property, plant and equipment that qualifies for recognition as an asset shall be measured at its cost. The cost of an item of property, plant and equipment comprises: (a) its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates.(b) any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management. After recognition as an asset, an item of property, plant and equipment shall be carried at its cost less any accumulated depreciation and any accumulated impairment losses.

Each part of an item of property, plant and equipment with a cost that is significant in relation to the total cost of the item shall be depreciated separately. The depreciation charge for each period shall be recognised in profit or loss unless it is included in the carrying amount of another asset. The depreciable amount of an asset shall be allocated on a systematic basis over its useful life. The residual value and the useful life of an asset shall be reviewed at least at each financial year-end and, if expectations differ from previous estimates, the change(s) shall be accounted for as a change in an accounting estimate in accordance with IND AS 8, Accounting Policies, Changes in Accounting Estimates and Errors. The depreciation method used reflects the pattern in which the asset's future economic benefits are expected to be consumed by the entity. The depreciation method applied to an asset is reviewed at least at each financial year-end and, if there has been a significant change in the expected pattern of consumption of the future economic benefits embodied in the asset, the method is changed to reflect the changed pattern. Such a change shall be accounted for as a change in an accounting estimate in accordance with Ind AS 8.

The carrying amount of an item of property, plant and equipment is derecognised : (a) on disposal; or (b) when no future economic benefits are expected from its use or disposal. The gain or losses arising from derecognition of an item of property, plant and equipment shall be included in profit or

loss when the item is derecognised.

Depreciation is recognised to write off the cost of assets less their residual values over their useful lives, using the Straight Line method.

(x) Investment Property

Investment property shall be recognised as an asset when and only when: (a) it is probable that the future economic benefits that are associated with the investment property will flow to the company; and (b) the cost of the investment property can be measured reliably. An investment property shall be measured initially at its cost.

Transaction costs shall be included in the initial measurement. The cost of a purchased investment property comprises its purchase price and any directly attributable expenditure. After initial recognition, an entity shall measure all of its investment properties in accordance with IND AS 16's requirements for cost model, other than those that meet the criteria to be classified as held for sale (or are included in a disposal group that is classified as held for sale) in accordance with IND AS 105, Non-current Assets Held for Sale and Discontinued Operations. Investment properties that meet the criteria to be classified as held for sale (or are included in a disposal group that is classified as held for sale) shall be measured in accordance with IND AS 105. An investment property shall be derecognised (eliminated from the balance sheet) on disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from its disposal. Gains or losses arising from the retirement or disposal of investment property shall be determined as the difference between the net disposal proceeds and the carrying amount of the asset and shall be recognised in profit or loss in the period of the retirement or disposal.

Depreciation is provided on straight line value method by adopting useful life of 30 years in the case of Building (other than Building) other than RCC Frame structure as prescribed under schedule II to the Companies Act, 2013 after retaining 5% of Original cost as residual value for Buildings.

The fair value of investment property is being determined by property valuer, having recognised qualifications and experience. However if the Investment property is disposed off during the reporting period, the Sale Price not being less than valuation as per Registry office on which stamp duty is being calculated and paid off as per the Registered Sales deed is treated as fair value.

(xi) Impairment of Assets

Company shall assess at the end of each reporting period whether there is any indication that an asset may be impaired. If any such indication exists, the company shall estimate the recoverable amount of the asset. If, and only if, the recoverable amount of an asset is less than its carrying amount, the carrying amount of the asset shall be reduced to its recoverable amount. That reduction is an impairment loss. After the recognition of an impairment loss, the depreciation (amortisation) charge for the asset is adjusted in future periods to allocate the asset's revised carrying amount, less its residual value (if any), on a systematic basis over its remaining useful life.

(xii) Financial Instrument

Recognition and derecognition

The Company recognises a financial asset or a financial liability in its balance sheet when, and only when, it becomes party to the contractual provisions of the instrument. A regular way purchase or sale of financial assets shall be recognised and derecognised, as applicable, using trade date accounting or settlement date accounting.

The company will derecognise a financial asset when and only when: (a) the contractual rights to

the cash flows from the financial asset expire, or (b) it transfers the financial asset as set out below and the transfer qualifies for derecognition.

- (i) An entity transfers a financial asset if, and only if, it either: (a) transfers the contractual rights to receive the cash flows of the financial asset, or (b) retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients in an arrangement that meets the conditions.
- (ii) When the company retains the contractual rights to receive the cash flows of a financial asset (the 'original asset'), but assumes a contractual obligation to pay those cash flows to one or more entities (the 'eventual recipients'), the company treats the transaction as a transfer of a financial asset if, and only if, all of the conditions are met like:
 - (a) The entity has no obligation to pay amounts to the eventual recipients unless it collects equivalent amounts from the original asset. Short-term advances by the company with the right of full recovery of the amount lent plus accrued interest at market rates do not violate this condition.
 - (b) The company is prohibited by the terms of the transfer contract from selling or pledging the original asset other than as security to the eventual recipients for the obligation to pay them cash flows.
 - (c) The company has an obligation to remit any cash flows it collects on behalf of the eventual recipients without material delay. In addition, the entity is not entitled to reinvest such cash flows, except for investments in cash or cash equivalents during the short settlement period from the collection date to the date of required remittance to the eventual recipients, and interest earned on such investments is passed to the eventual recipients.
- (iii) Whenever the company transfers a financial asset it evaluates the extent to which it retains the risks and rewards of ownership of the financial asset. In this case: (a) if the company transfers substantially all the risks and rewards of ownership of the financial asset, the company derecognises the financial asset and recognise separately as assets or liabilities any rights and obligations created or retained in the transfer. (b) If the company retains substantially all the risks and rewards of ownership of the financial asset, it will continue to recognise the financial asset. (c) If the company neither transfers nor retains substantially all the risks and rewards of ownership of the financial asset, the company determines whether it has retained control of the financial asset.

In this case : (i) If the company has not retained control, it shall derecognise the financial asset and recognise separately as assets or liabilities any rights and obligations created or retained in the transfer. (ii) If the company has retained control, it shall continue to recognise the financial asset to the extent of its continuing involvement in the financial asset.

Transfers that qualify for derecognition

- (i) When the company transfers a financial asset in a transfer that qualifies for derecognition in its entirety and retains the right to service the financial asset for a fee, it recognises either a servicing asset or a servicing liability for that servicing contract. If the fee to be received is not expected to compensate the company adequately for performing the servicing, a servicing liability for the servicing obligation is recognised at its fair value. If the fee to be received is expected to be more than adequate compensation for the servicing, a servicing asset shall be recognised for the servicing right at an amount determined on the basis of an allocation of the carrying amount of the larger financial asset as stated in (iv) below.
- (ii) If, as a result of a transfer, a financial asset is derecognised in its entirety but the transfer results in the entity obtaining a new financial asset or assuming a new financial liability, or a

servicing liability, the company recognises the new financial asset, financial liability or servicing liability at fair value.

- (iii) On derecognition of a financial asset in its entirety, the difference between: (a) the carrying amount (measured at the date of derecognition) and (b) the consideration received (including any new asset obtained less any new liability assumed) is recognised in profit or loss.
- (iv) If the transferred asset is part of a larger financial asset (e.g. when the company transfers interest cash flows that are part of a debt instrument, and the part transferred qualifies for derecognition in its entirety, the previous carrying amount of the larger financial asset shall be allocated between the part that continues to be recognised and the part that is derecognised, on the basis of the relative fair values of those parts on the date of the transfer. For this purpose, a retained servicing asset shall be treated as a part that continues to be recognised. The difference between: (a) the carrying amount (measured at the date of derecognition) allocated to the part derecognised and (b) the consideration received for the part derecognised (including any new asset obtained less any new liability assumed) shall be recognised in profit or loss.

Transfers that do not qualify for derecognition

If a transfer does not result in derecognition because the entity has retained substantially all the risks and rewards of ownership of the transferred asset, the entity shall continue to recognise the transferred asset in its entirety and shall recognise a financial liability for the consideration received. In subsequent periods, the entity shall recognise any income on the transferred asset and any expense incurred on the financial liability.

Continuing involvement in transferred assets

When the company neither transfers nor retains substantially all the risks and rewards of ownership of a transferred asset, and retains control of the transferred asset, the company continues to recognise the transferred asset to the extent of its continuing involvement.

Derecognition of financial liabilities

An entity shall remove a financial liability (or a part of a financial liability) from its balance sheet when, and only when, it is extinguished—i.e. when the obligation specified in the contract is discharged or cancelled or expires.

Classification of financial assets

The Company will classify financial assets as subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit or loss on the basis of both: (a) the entity's business model for managing the financial assets and (b) the contractual cash flow characteristics of the financial asset.

A financial asset shall be measured at amortised cost if both of the following conditions are met: (a) the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and (b) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Classification of financial liabilities

An entity shall classify all financial liabilities as subsequently measured at amortised cost.

(xiii) Non-Performing Assets & Write-off Policy

The company shall directly reduce the gross carrying amount of a financial asset when the entity has no reasonable expectations of recovering a financial asset in its entirety or a portion thereof. A write-off constitutes a derecognition event. Identification of Non-Performing Assets (NPAs) is being done as per the guidelines of Master Direction- Non Banking Financial Company –Non – Systemically Important Non- Deposit taking Company (Reserve Bank) Directions, 2016 prescribed by the Reserve Bank of India. The company is writing off NPAs in its books of accounts every year.

(xiv) Measurement of expected credit losses

The company has measured expected credit losses of a financial instrument in a way that reflects : (a) an unbiased and probability-weighted amount that is determined by evaluating a range of possible outcomes; (b) the time value of money; and (c) reasonable and supportable information that is available without undue cost or effort at the reporting date about past events, current conditions and forecasts of future economic conditions.

(xv) Investments in equity instruments

At initial recognition, the company makes an irrevocable election to present in other comprehensive income subsequent changes in the fair value of an investment in an equity instrument within the scope of this Standard that is neither held for trading nor contingent consideration recognised by an acquirer in a business combination to which IND AS103 applies. Once it makes this election, it shall recognise in profit or loss dividends from that investment.

(xvi) Borrowing Cost

The company will capitalise borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset as part of the cost of that asset. It recognises other borrowing costs as an expense in the period in which it incurs them. To the extent that it borrows funds specifically for the purpose of obtaining a qualifying asset, it will determine the amount of borrowing costs eligible for capitalisation as the actual borrowing costs incurred on that borrowing during the period less any investment income on the temporary investment of those borrowings. To the extent that it borrows funds generally and uses them for the purpose of obtaining a qualifying asset, it will determine the amount of borrowing costs eligible for capitalisation by applying a capitalisation rate to the expenditures on that asset. The capitalisation rate shall be the weighted average of the borrowing costs applicable to the borrowings of the company that are outstanding during the period, other than borrowings made specifically for the purpose of obtaining a qualifying asset. The amount of borrowing costs that company capitalises during a period shall not exceed the amount of borrowing costs it incurred during that period. The company will begin capitalising borrowing costs as part of the cost of a qualifying asset on the commencement date. The commencement date for capitalisation is the date when it first meets all of the following conditions: (a) it incurs expenditures for the asset; (b) it incurs borrowing costs; and (c) it undertakes activities that are necessary to prepare the asset for its intended use or sale. It will suspend capitalisation of borrowing costs during extended periods in which it suspends active development of a qualifying asset. It will cease capitalising borrowing costs when substantially all the activities necessary to prepare the qualifying asset for its intended use or sale are complete.

(xvii) Provisions, Contingent Liabilities and Contingent Assets

A provision shall be recognised when :

- (a) The company has a present obligation (legal or constructive) as a result of a past event;

- (b) It is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and
- (c) A reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision shall be the best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The risks and uncertainties that inevitably surround many events and circumstances shall be taken into account in reaching the best estimate of a provision. Where the effect of the time value of money is material, the amount of a provision shall be the present value of the expenditures expected to be required to settle the obligation. Provisions is reviewed at the end of each reporting period and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of resources embodying economic benefits will be required to settle the obligation, the provision is reversed.

Unless the possibility of any outflow in settlement is remote, the company will disclose for each class of contingent liability at the end of the reporting period a brief description of the nature of the contingent liability and, where practicable :

- (a) An estimate of its financial effect,
- (b) An indication of the uncertainties relating to the amount or timing of any outflow; and (c) the possibility of any reimbursement.

Where an inflow of economic benefits is probable, the company will disclose a brief description of the nature of the contingent assets at the end of the reporting period, and, where practicable, an estimate of their financial effect.

(xviii) Earnings per Share

The company will calculate basic earnings per share amounts for profit or loss attributable to ordinary equity holders and, if presented, profit or loss from continuing operations attributable to those equity holders. Basic earnings per share shall be calculated by dividing profit or loss attributable to ordinary equity holders (the numerator) by the weighted average number of ordinary shares outstanding (the denominator) during the period. The objective of basic earnings per share information is to provide a measure of the interests of each ordinary share in the performance of the company over the reporting period.

If the number of ordinary or potential ordinary shares outstanding increases as a result of a capitalisation, bonus issue or share split, or decreases as a result of a reverse share split, the calculation of basic and diluted earnings per share for all periods presented shall be adjusted retrospectively. If these changes occur after the reporting period but before the financial statements are approved for issue, the per share calculations for those and any prior period financial statements presented shall be based on the new number of shares. The fact that per share calculations reflect such changes in the number of shares shall be disclosed. In addition, basic and diluted earnings per share of all periods presented shall be adjusted for the effects of errors and adjustments resulting from changes in accounting policies accounted for retrospectively.

The company will present in the statement of profit and loss basic and diluted earnings per share for profit or loss from continuing operations attributable to the ordinary equity holders and for profit or loss attributable to the ordinary equity holders for the period for each class of ordinary shares that has a different right to share in profit for the period. It will present basic and diluted earnings per share with equal prominence for all periods presented. It will present basic and diluted earnings per share, even if the amounts are negative (ie a loss per share).

(xix) Employee Benefits

Short-term employee benefits include items such as the following, if expected to be settled wholly before twelve months after the end of the annual reporting period in which the employees render the related services: (a) wages, salaries and social security contributions; (b) paid leave; (c) bonuses; and (d) non-monetary benefits if any for current employees. When an employee has rendered service to the company during an accounting period, it recognises the undiscounted amount of short-term employee benefits expected to be paid in exchange for that service: (a) as a liability (accrued expense), after deducting any amount already paid. If the amount already paid exceeds the undiscounted amount of the benefits, it recognises that excess as an asset (prepaid expense) to the extent that the prepayment will lead to, for example, a reduction in future payments or a cash refund. (b) as an expense. It will recognise the expected cost of bonus payments only when: (a) it has a present legal or constructive obligation to make such payments as a result of past events; and (b) a reliable estimate of the obligation can be made.

A present obligation exists when, and only when, the entity has no realistic alternative but to make the payments.

Post-employment benefits include items such as the following: (a) retirement benefits (lump sum payments on retirement i.e. gratuity); and (b) other post-employment benefits, such as leave encashment, terminal benefits. Arrangements whereby company provides post-employment benefits are post-employment benefit plans. It applies this Standard to all such arrangements whether or not they involve the establishment of a separate entity to receive contributions and to pay benefits.

Post-employment benefit plans are classified as either defined contribution plans or defined benefit plans, depending on the economic substance of the plan as derived from its principal terms and conditions.

Under defined contribution plans the company's legal or constructive obligation is limited to the amount that it agrees to contribute to the fund. Thus, the amount of the post-employment benefits received by the employee is determined by the amount of contributions paid by the company (and perhaps also the employee) to a post-employment benefit plan or to an insurance company, together with investment returns arising from the contributions. In consequence, actuarial risk (that benefits will be less than expected) and investment risk (that assets invested will be insufficient to meet expected benefits) fall, in substance, on the employee. The company may pay insurance premiums to fund a postemployment benefit plan. The entity shall treat such a plan as a defined contribution plan unless the entity will have (either directly, or indirectly through the plan) a legal or constructive obligation either: (a) to pay the employee benefits directly when they fall due; or (b) to pay further amounts if the insurer does not pay all future employee benefits relating to employee service in the current and prior periods. If it retains such a legal or constructive obligation, it shall treat the plan as a defined benefit plan.

When an employee has rendered service to the company during a period, it shall recognise the contribution payable to a defined contribution plan in exchange for that service: (a) as a liability (accrued expense), after deducting any contribution already paid. If the contribution already paid exceeds the contribution due for service before the end of the reporting period, an entity shall recognise that excess as an asset (prepaid expense) to the extent that the prepayment will lead to, for example, a reduction in future payments or cash refund. (b) as an expense. When contributions to a defined contribution plan are not expected to be settled wholly before twelve months after the end of the annual reporting period in which the employees render the related service, they shall be

discounted using the discount rate.

Accounting by an entity for defined benefit plans involves the following steps: (a) determining the deficit or surplus. (b) Determining the amount of the net defined benefit liability (asset). (c) Determining amounts to be recognised in profit or loss : (i) current service cost (ii) any past service cost and gain or loss on settlement (iii) net interest on the net defined benefit liability (asset). (d) Determining the reameasurements of the net defined benefit liability (asset), to be recognised in other comprehensive income, comprising: (i) actuarial gains and losses; (ii) return on plan assets, excluding amounts included in net interest on the net defined benefit liability (asset) ; and (iii) any change in the effect of the asset ceiling , excluding amounts included in net interest on the net defined benefit liability (asset).

The company will account not only for its legal obligation under the formal terms of a defined benefit plan, but also for any constructive obligation that arises from its informal practices. Informal practices give rise to a constructive obligation where it has no realistic alternative but to pay employee benefits.

The company recognises the net defined benefit liability (asset) in the balance sheet. When the company has a surplus in a defined benefit plan, it shall measure the net defined benefit asset at the lower of: (a) the surplus in the defined benefit plan; and (b) the asset ceiling, determined using the discount rate.

The company uses the projected unit credit method to determine the present value of its defined benefit obligations and the related current service cost and, where applicable, past service cost.

(xx) Income Taxes

Deferred tax assets are the amounts of income taxes recoverable in future periods in respect of: (a) deductible temporary differences; (b) the carry forward of unused tax losses; and (c) the carry forward of unused tax credits.

Current tax for current and prior periods shall, to the extent unpaid, be recognised as a liability. If the amount already paid in respect of current and prior periods exceeds the amount due for those periods, the excess shall be recognised as an asset.

A deferred tax liability is recognised for all taxable temporary differences, except to the extent that the deferred tax liability arises from: (a) the initial recognition of goodwill; or (b) the initial recognition of an asset or liability in a transaction which: (i) is not a business combination; and (ii) at the time of the transaction, affects neither accounting profit nor taxable profit (tax loss). Temporary differences also arise when assets are revalued and no equivalent adjustment is made for tax purposes. Ind ASs permits or requires certain assets to be carried at fair value or to be revalued. The difference between the carrying amount of a revalued asset and its tax base is a temporary difference and gives rise to a deferred tax liability or asset.

A deferred tax asset shall be recognised for all deductible temporary differences to the extent that it is probable that taxable profit will be available against which the deductible temporary difference can be utilised.

A deferred tax asset shall be recognised for the carry forward of unused tax losses and unused tax credits to the extent that it is probable that future taxable profit will be available against which the unused tax losses and unused tax credits can be utilised.

Current tax liabilities (assets) for the current and prior periods is measured at the amount expected to be paid to (recovered from) the taxation authorities, using the tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. Deferred tax assets and liabilities is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. When different tax rates apply to different levels of taxable income, deferred tax assets and liabilities are measured using the average rates that are expected to apply to the taxable profit (tax loss) of the periods in which the temporary differences are expected to reverse.

Current and deferred tax is recognised as income or an expense and included in profit or loss for the period, except to the extent that the tax arises from a transaction or event which is recognised, in the same or a different period, outside profit or loss, either in other comprehensive income or directly in equity. Current tax and deferred tax shall be recognised outside profit or loss if the tax relates to items that are recognised, in the same or a different period, outside profit or loss. Therefore, current tax and deferred tax that relates to items that are recognised, in the same or a different period: (a) in other comprehensive income, shall be recognised in other comprehensive income (b) directly in equity, shall be recognised directly in equity.

(xxi) IND AS 101 First Time Adoption of Indian Accounting Standards

The company shall use the same accounting policies in its opening IND AS Balance Sheet and throughout all periods presented in its first IND AS financial statements. Those accounting policies shall comply with each IND AS effective at the end of its first IND AS reporting period, except as specified below :

The accounting policies that an entity uses in its opening IND AS Balance Sheet may differ from those that it used for the same date using its previous GAAP. The resulting adjustments arise from events and transactions before the date of transition to IND ASs. Therefore, the company will recognise those adjustments directly in retained earnings (or, if appropriate, another category of equity) at the date of transition to IND ASs.

(xxii) Mandatory Exemptions adopted by the Company

i. De recognition of financial assets and financial liabilities

The Company shall apply the derecognition requirements in IND AS 109 prospectively for transactions occurring on or after the date of transition to IND ASs.

ii. Classification and measurement of financial assets

The Company shall assess whether a financial asset meets the conditions of IND AS 109 on the basis of the facts and circumstances that exist at the date of transition to IND AS.

iii. Impairment of financial assets

The Company shall apply the impairment requirements of IND AS 109 retrospectively subject to exemptions provided in IND AS 101.

(xxiii) Optional Exemptions Availed by the Company

Deemed cost

The Company elects to continue with the carrying value for all of its property, plant and equipment as recognised in the financial statements as at the date of transition to IND ASs, measured as per the previous GAAP and use that as its deemed cost as at the date of transition. Hence, no further adjustments to the deemed cost of the property, plant and equipment so determined in the opening balance sheet shall be made for transition adjustments that might arise from the application of other IND ASs. This option is also be availed for intangible assets covered by IND AS 38, Intangible Assets and investment property covered by IND AS 40, Investment Property.

NOTES OF FINANCIAL STATEMENTS

21. Basis of preparation and presentation

(i) The financial statements are prepared in accordance with and in compliance, in all material aspect with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) read along with Companies (Indian Accounting Standards) Rules, 2015 as amended by Companies (Indian Accounting Standards Amendment Rules, 2016 and other relevant provision of the Act.

Fair value measurements under Ind AS are categorized into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety.

(ii) All the amounts included in Financial Statements are reported in Indian Rupees.

22. Estimation of Uncertainties relating to the Global Health Pandemic from COVID – 19 (“Covid – 19”)

The Company continues its policy of work from home to ensure business continuity in the wake of pandemic caused by COVID-19.

23. Use of Estimates & Judgments

On assessment of the estimates made under the Previous GAAP financial statements, the Company has concluded that there is no necessity to revise the estimates under IND AS, as there is no objective evidence of an error in those estimates. However, estimates that were required under IND AS but not required under Previous GAAP are made by the Company for the relevant reporting dates reflecting conditions existing as at that date.

The preparation of financial statements in accordance with IND AS requires use of estimates and assumptions for some items, which might have an effect on their recognition and measurement in the balance sheet and statement of profit and loss. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. The actual results may differ from these estimates. The Company’s management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Any revision to the accounting estimates is recognized prospectively in the current and future periods.

24. Reconciliation between previous GAAP & Ind AS :-
